

Proudly Fijian, Proudly Yours

I am proud to be a Fijian. Fiji is my home. It is a beautiful country with lovely beaches, green trees, and friendly people. I love my country very much.

My family likes to buy products that are made in Fiji.

One of our favourite food is Rooster Chicken.

Rooster Chicken is fresh, tasty and healthy. We enjoy eating for lunch and dinner. My favourite meal is roasted chicken with rice and vegetables. It is yummy!

Rooster chicken is proudly made in Fiji. When we buy Rooster Chicken, we help Fijian Farmers, workers, and their families. They work hard every day to give us good food. Buying local products helps our country grow stronger. It also helps create jobs for many people.

The theme "Proudly Yours" means we should be proud of our country and the things we make.

It reminds us to support local businesses and believe in the good things made in Fiji. I am
